

## **PRESS RELEASE**

### **EU funding: LIFE Programme Networking Event**

The [LIFE Cyclamen](#) Team is hosting a Networking Event on Thursday December 12th 2019. The event will be held at 1010 Hall, in Nicosia, from 18:00 until 21:00.

Current and past LIFE beneficiaries will join LIFE applicants, as well as LIFE enthusiasts who haven't had the chance to apply for funding yet. We will all mingle over food and drinks and by the end of the evening we hope to have helped with forming new collaborations that will lead to new LIFE Proposals.

#### **What is the LIFE Programme?**

The LIFE Programme is the EU's funding instrument for the environment and climate action. The general objective of LIFE is to contribute to the implementation, updating and development of EU environmental and climate policy and legislation by co-financing projects with European added value.

#### **Is this event for you?**

If you represent a public body, private company, non-governmental organisation, university, or research centre and institute, then this event is definitely for you! Registration is mandatory. [Register here now!](#)

#### **The Gains**

Join us at this event to:

- Meet our guest speakers, from FCC Aqualia S.A. \* (Spain), NEUROPUBLIC S.A. \*\* (Greece) and the Association of Solid Waste Management of Crete, and learn from their experience in LIFE Projects
- Meet and chat with experienced Cypriot LIFE stakeholders
- Benefit from one-to-one meetings through our speed-dating on the day
- Get information on LIFE Projects currently running in Cyprus
- Take with you a contact list of all other participants and begin your LIFE Proposal preparation the next day!
